United Way of Horry County

Day of Caring

Our goal is to create long-lasting changes that prevent problems from happening in the first place. We invite you to be part of the change, so join TODAY to help at the **Day of Caring on Friday, September 24th, 2010**. This year's Day of Caring project is assisting Horry County with the PAL Adventure Playground in Carolina Forest.

This playground was designed and named by local elementary students. The playground must be built by the community - volunteers. By having this as United Way's Day of Caring, volunteers are making a real impact on the community – YOU are helping the children! So many children from all areas of Horry County will benefit from this handicap accessible playground.

What it means to be a Pacesetter?

A Pacesetter is a company who wishes to demonstrate its leadership and commitment to United Way of Horry County. The company has its total Employee Drive and Corporate Pledge completed and turned in to United Way by September 17th. The Company will be recognized at the Day of Caring breakfast, in the Sun News Advertisement and on the United Way website.

**When you reach out a hand to one,
you can influence the condition of all.**

United Way is working to advance the common good by focusing on...

Our children, families, education, independency and health. These are the building blocks for a good life – a quality education that leads to a stable job, enough income to support a family through retirement and good health.

United Way of Horry County was founded in 1973, since then United Way has been increasing the caring capacity of our community for more than 35 years. United Way supports 42 Community Partners that help thousands of our friends and neighbors.

The money raised in Horry County stays here locally to help the people of our communities.
